

FLO POWER HUB

Convenient desktop USB charging

FLO POWER HUB PROVIDES DESKTOP ACCESS TO THREE USB PORTS FOR EASY AND CONVENIENT CHARGING OF PERSONAL DEVICES IN THE WORKPLACE.

Flo Power Hub easily integrates with the base of the Flo monitor arm and is also compatible with all CBS monitor arms supported by the Wishbone post. It occupies minimal desktop space and provides a tidy and controlled charging facility within easy reach. Two of the ports provide 1A of standard charge and the third offers 2.4A of fast charge.

With a refined aesthetic finish and high quality

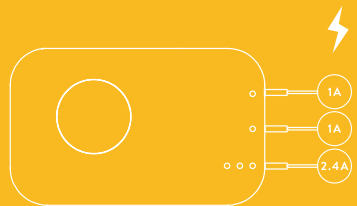

components, Flo Power Hub fits seamlessly and securely onto the Flo monitor arm/Wishbone post and desk clamp. It is simple to install and compatible with both the Flo/Universal Top and Split mount desk clamps.

Flo Power Hub is a cost effective charging device that can be ordered and installed with the purchase of a CBS monitor arm, or retro-fitted to existing arm installations.
